CHECKLIST for PREPARATION of AGREEMENT BETWEEN OWNER AND ARCHITECT

(12)	<p>SPECIAL PROVISIONS: All negotiated modifications or supplementations of the Standard Articles must be covered in detail as Special Provisions. For clarity, the Standard Article being modified or supplemented should be cited. Items that are the Owner’s responsibilities per Standard Article 2 may instead be handled by the Architect and be included in Special Provisions as “Reimbursable Expenses.” Services beyond those included in Basic Services and Basic Fee per Standard Articles 3 and 4 are to be included in Special Provisions as "Special Services." If the space provided in the Agreement form is not sufficient, Special Provisions may be continued in an attachment that is cited in the Special Provisions space. Typical subjects of Special Provisions are listed and should be marked below:</p>

(14)	SIGNATURES – APPROVING and CONTRACTING PARTIES: Different categories of Owners and funding sources have different O/A Agreement signature spaces. The appropriate selection of Owner/funding type from DCM's website at www.dcm.alabama.gov/forms.aspx leads to the appropriate signature spaces and routing of DCM's e-O/A Agreements.
<p>ATTACHMENTS: The following attachments are required to be submitted with all O/A Agreements:</p> <ul style="list-style-type: none"> • E-Verify Memorandum of Understanding - required per Section 31-13-25(b) of the Code of Alabama. • State of Alabama Disclosure Statement (wet-signed, notarized hardcopy must be delivered to DCM) - required per Section 41-16-82 of the Code of Alabama. • Insurance Certificate (Refer to Article 13 of DCM Form B-2A: Standard Articles to the Agreement) - required per Section 39-2-8 of the Code of Alabama. 	
<p>CDA FEE-O/A</p> <ul style="list-style-type: none"> • The Contract Document Administration Fee-O/A must be paid by the time an O/A Agreement (see exception below for Open-End Agreements) is submitted to DCM for review or when a locally-funded project O/A Agreement is converted to PSCA. O/A Agreement reviews can begin once the fee has been paid, or when Owner gives DCM's accountant the authorization to begin an inter-agency transfer invoice. • Basic Contract Document Administration (CDA) Fee: This fee covers review of the O/A Agreements and Construction Contracts for state agency projects, ACCS projects and partially or fully PSCA-funded projects of K-12 public schools and universities and the related amendments, change orders, service invoices and pay requests. This fee does not apply to fully locally-funded K-12 public school projects or fully locally-funded university projects. The Basic CDA Fee covers review of the original submitted document and one revision. The total basic CDA fee is 1/2 of 1% of the total construction cost, due in two parts: 1/4 of 1% (.25%) of the Project Budget for administration of the O/A Agreement. 1/4 of 1% (.25%) of the Construction Contract Amount for administration of the Construction Contract. * CDA Fee-OA Exception: Open-End O/A Agreements have no specific project sum at inception; therefore a CDA Fee-OA cannot initially be determined. Because one of the purposes of this type of Agreement is to aggregate services for multiple smaller projects, the CDA Fee-OA associated with Open-End Agreements is billed annually with a year-end of June 30th. The CDA Fee-CC for a Construction Contract of an Open-End project is still due when the contract is submitted to DCM. Note: PSCA funds are not applicable to Open-End O/A Agreements. <p><u>Fees may be paid online</u> at www.dcm.alabama.gov or paid with a physical check. Make check payable to: "Finance - Construction Management", include the DCM (BC) Project #, if assigned, on the check and attach the CDA Fees Calculation Worksheet (also available on www.dcm.alabama.gov). Mail payment to: Finance - Construction Management, P.O. Box 301150, Montgomery, AL 36130-1150. For payments using Public School and College Authority (PSCA) funds and for state agency inter-fund transfers: contact Jennie Jones at 334-242-4808 or jennie.jones@realproperty.alabama.gov.</p> <p><u>Additional Revised Contract Document Fee:</u> When more than one revision of an O/A Agreement is required, an additional fee of \$200.00 will be charged to the design professional for each additional submittal until the document is executed.</p>
